

- » These topics are covered in some way in every issue of our print magazine:
COAL **C**, GAS **G**, NUCLEAR **N**, RENEWABLES **R**,
DISTRIBUTED ENERGY **D**, T&D **TD**
- » Topics are subject to change and are not restricted to this list.

- » Please review the [Contributors' Guidelines](#) and submit editorial pitches at least **three months** prior to desired publication month.
- » For general editorial submissions and press releases, please send to editor@powermag.com.

EXCLUSIVE DEPARTMENTS

SPEAKING OF POWER: The editor comments on a wide variety of issues related to the power industry.

GLOBAL MONITOR: Briefs on the latest business and technology developments around the world.

FOCUS ON O&M: Best practices, new technology options, and real-world examples of how to improve business performance through operations and maintenance excellence.

LEGAL & REGULATORY: Legal experts examine the regulations, laws, and policies that affect power generation.

COMMENTARY: Noted spokespersons with a variety of viewpoints offer their take on industry issues.

POINT-COUNTERPOINT: New in 2022, energy executives present differing viewpoints on issues impacting the power generation industry.

SPECIAL ADVERTISING SECTIONS: This is an opportunity to provide sponsored content in POWER magazine.
