

SPACE FRONTIER FOUNDATION

Experience Power 2026 Collaboration Opportunity

This September, the Space Frontier Foundation will be hosting a half-day **Space-Based Solar Power Program** at the **Experience Power 2026** conference. Experience Power convenes leaders in the energy industry, and is a key opportunity to introduce space-based solar power to the energy community as a viable technology in the energy mix to power the future.

At this conference, we want to showcase your efforts to energy leaders who are your potential customers and help you build industry connections- **and we need your help to do so.** We are seeking sponsorships to put on our programming. **Your donation will be matched by another philanthropic donor dollar to dollar.**

Tiers and perks:

Tier I	Minimum \$ 1,500	<ul style="list-style-type: none">- Complementary access for a member of your organization to the Space-Based Solar Power Program.- Reduced price access to both Experience Power <i>and</i> the Data Center POWER eXchange forum for one or more people from your organization.- Your logo highlighted as a Space-Based Solar Power programming sponsor on Experience Power 2026 marketing that includes the website https://www.experience-power.com/.- Your logo highlighted on https://www.spacefrontier.org/ as a key supporter.
Tier II	Minimum \$ 3,000	<ul style="list-style-type: none">- Tier I Plus...- Display a meter board in the Space-Based Solar Power Program dedicated to you, allowing energy industry players to learn more about you.- A table in the Space-Based Solar Power Program dedicated to your company, allowing time for presentations of your technology and company.
Custom Tier [Contact for details]		<ul style="list-style-type: none">- Tiers I & II, and could include...- Facilitated introductions to Experience Power <i>and</i> the Data Center POWER eXchange conference attendees, allowing 1-to-1 meetings with key industry players.- Private dinner, with other energy leaders invited.- Discounted sponsorship tiers for Energy from Space 2027 conference.- And other options that may interest you.

Space Frontier Foundation programming will be held on **the morning of Wednesday, September 30th**, and is already set to include...

1. panels with utilities, startups, government, and grid experts,
2. focus on economics, technology readiness and opportunity, and regulatory pathways,
3. and conversations with industry leaders.

Experience Power 2026 will take place from September 28-30, 2026, at the Omni Shoreham in Washington, DC. More information can be found at <https://www.experience-power.com/>.

Questions about and responses to this sponsorship request may be directed to Srikanth Raviprasad at srikanth.raviprasad@spacefrontier.org.
